Matters arising

Website

Mark Coyle informed JL that he can no longer commit the time required to maintain the website. JL agreed to take this role on and Mark has agreed to provide assistance when required. On behalf of the Club, the Committee would like to thank Mark for all his efforts.

Secretary's Report

JL stated that our annual subscription has been sent to scottishathletics. AF has asked what the benefits are of membership and JL contacted Mark Coyle as Club Representative on the Board to provide the answer. The two main aspects are insurance, Clubmark and the ability to enter local and national competitions. While it is expensive at £7 per athlete, the Committee agreed that the Club should continue to be affiliated to scottishathletics.

Treasurer's Report

No formal report. Bank balance is ~£4.5K.

Road Runners' Report

JT stated that the turnout at the Championship races continues to be poor and that it is maybe time to consider a change in the races and format.

WM suggested a 5K/10K/Half Marathon series which will be considered by the 2010-2011 RR Sub Committee.

JL advised that the Hamilton 5K has been cancelled so a replacement race is needed for the RR Championship. The Strathclyde parkrun was suggested and JT will consult the RR Sub Committee.

Action 005.1 – JT

CB advised that the tracksuits have arrived, with one athlete still to pay. Hooded sweatshirts are due in the next week or so.
